

LET'S PLAY

SPORT WHEELCHAIRS FOR KIDS 6 AND UNDER APPLY NOW!!!

The BC Wheelchair Basketball Society, with funding from the Rick Hansen Foundation's Let's Play program and the Ministry of Education, has just launched an initiative to promote physical activity in kids 6 years of age and under with a physical disability by providing **free sport wheelchairs** in communities throughout British Columbia. If you have a child with a physical disability who could benefit from having access to a sport wheelchair, please contact us now at:

letsplay@bcwbs.ca

This program gives all kids get a chance to play, exercise and recreate with each other. We will also be working with facilities and facilitators to ensure accessible spaces and inclusive programs are available to gain full advantage of these chairs in the community.

Inclusive physical activity for children at a young age helps to set the foundation for basic movement skills, increased self esteem and independence, healthy attitudes towards exercise, and strong social bonds that remain with them throughout their lives. Tap into these benefits now and participate in this great program!

Who is this for?

If your child was 6 years of age or younger as of July 22, 2009, resides in British Columbia, and is able to use a manual wheelchair independently, please send for an application before **March 1, 2010** at:

letsplay@bcwbs.ca

To apply by mail, send a letter to:

BC Wheelchair Basketball Society
ATT: Let's Play Program
#210 - 3820 Cessna Drive
Richmond, BC V7B 0A2
